- 4-Finger grip bend restrictor for better use & easier control over the hose

BluShield Polyester braided rubber pressure washer hoses are light and flexible which helps with the ease of coiling and handling the hose. Non marking design does not leave marks on the job site. These lightweight hoses are equipped with four finger grip bend restrictors which reduce the bending stress near the coupling and increase the working efficiency by adding better control. These hoses have a 3100 PSI working pressure and a 12,400 PSI safety burst pressure (4:1). These hoses can handle both cold and hot water up to 250°F.

Up to 35% lighter than wire braided hose

Polyester braided reinforcement

Handles hot water up to 250°F

Cold weather flexibility up to -20°F
