**Unmatched Performance,
Every Drop Counts**

AG-Lite Hiviz Water Hose

The AG-Lite Hiviz Water Hose is a premium, high-performance solution designed for agricultural, industrial, and commercial applications. With its signature high-visibility yellow finish, it enhances safety by reducing tripping hazards. This hose is lightweight, flexible, and engineered to endure tough environments, providing excellent resistance to kinking, UV exposure, abrasion, and extreme temperatures. Built with superior craftsmanship, it combines durability and ease of use to meet the rigorous demands of professionals.

Features & Benefits

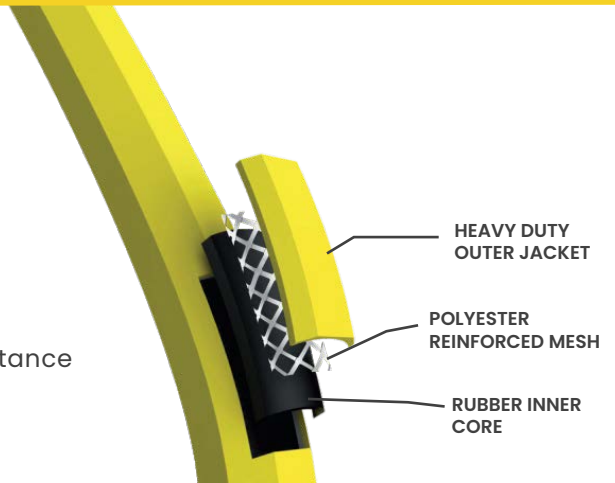

- **High-Visibility Design:** Bright yellow color improves safety in dim or crowded workspaces.
- **Temperature Versatility:** Operates from -40°F to 190°F (-40°C to 88°C), adapting to extreme climates.
- **Kink-Resistant Construction:** Smooth design ensures hassle-free operation and long life.
- **Industrial-Grade Durability:** Withstands abrasions, high pressures (up to 150 PSI), and prolonged UV exposure.
- **Premium Fittings:** 5/8" GHT Aluminium Anodized fittings ensure leak-proof connections and longevity.
- **Lightweight and Flexible:** Easy handling during use and storage.
- **Chemical and Oil Resistant:** Engineered to resist wear from harsh chemicals and oils.
- **Safety Factor of 3:1:** Reliable under demanding applications.
