#### Mounting Options

The AG-Lite Rubber Water Hose Reel Single/Dual-Arm Assembly durability and versatility. Crafted from powder-coated 18-gauge steel with ribbed edges, it ensures operator safety and reliability in various environments. The 12-point ratchet locking mechanism allows precise hose control. Paired with a flexible and robust rubber hose, it's a top choice for various applications, making it suitable for industrial, commercial, or residential use. This assembly provides efficient and dependable water handling for a wide range of tasks. The reels also feature a rubber gasket for extended life of the spring. These reels carry an unmatched 2-year warranty.
