Available
Hose I.D. (in.): 1/4, 3/8

Available
Hose Length (ft.): 25, 50, 100

**Perfect Hose for Roofers
and Contractors**

Premium Poly Air Hoses

- Brass male NPT revolving ends
- Bend restrictor protects the ends of the fittings and provides better use and control over the hose
- Non-marking design
- Abrasion & kink resistant
- Oil resistant
- Flexibility from -40°F upto +165°F
- Three-layered durable construction
- Constructed with polyester braided reinforcement

Avagard polyurethane braided hoses are great for outdoor and indoor use. Having great cold weather flexibility, being lightweight and non-marking, these hoses outperform nylon hoses. They feature bend restrictors to protect the revolving fittings that are on both ends of the hose.

Flexibility in extreme conditions from -40°F to +165°F

900 PSI burst pressure

300 PSI working pressure

3:1 Safety factor
