## 18 GAUGE HEAVY-DUTY CONSTRUCTION

The BluSeal Manual Water Hose Reel is the perfect solution for organized, efficient hose storage, designed to hold up to 150 feet of garden hose. Constructed with 18-gauge heavy-duty steel and finished with a durable powder coating, this wall-mounted hose reel offers unmatched durability and performance in any environment. The flexible mounting options allow for installation parallel or perpendicular to the wall, and the left or right-hand orientation ensures optimal convenience for your space. Equipped with a 6-foot leader hose and a solid brass connection, this reel minimizes leaks and extends the lifespan of your hose.

### Reel Features :

- 1-Year unmatched warranty on reel
- Parallel or perpendicular mounting on a wall
- Powder-coated heavy-duty steel construction
- Solid brass swivel prevents against leaks
- Hand crank with spring loaded axle for easy winding
- Included 6' lead-in hose
- Holds 5/8" x 150' (hose not included)

#### Heavy-Duty Construction

Made of 18-gauge powder-coated steel for maximum durability and resistance to corrosion

#### Versatile Mounting Options

Can be mounted parallel or perpendicular to the wall for flexibility in installation.

#### Solid Brass Swivel Connection

Prevents leaks and ensures long-lasting use.

#### Left or Right-Hand Orientation

Designed to accommodate various user preferences and space configurations.

#### Included 6-Foot Leader Hose

Provides additional flexibility for easy connection to your water source.

#### Spring-Loaded Tension Brake

Controls the release of the hose for smooth, safe operation.

#### Spring-Loaded Locking Pin

Allows you to lock the drum in place at the desired hose length.

#### Easy Winding Mechanism

Hand crank with a spring-loaded axle for quick and effortless rewinding.

#### 1-Year Warranty

Backed by an unmatched warranty for peace of mind.
