BluBird 180° Swivel Mount for Dual Arm Hose Reel

Black

Dual Arm Swivel Mount

Fast, Easy Installation Meets Durable Construction For Reel Efficiency

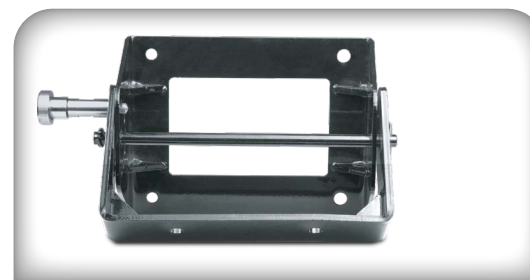

Installation Process

- **Secure the Mount** – Use heavy-duty anchors to attach it to the wall.
- **Align the Hose Reel** – Match the pre-drilled holes for a perfect fit.
- **Fasten the Reel** – Secure it using the included M10x25mm bolts.
- **Test Swivel & Locking** – Ensure smooth motion and stability before full use.

Technical Specifications:

- **Material:** Powder-Coated Mild Steel
- **Max Weight Capacity:** 110 lbs (50 kg)
- **Rotation:** 180° Swivel with Locking Mechanism
- **Mounting Surface:** All types (Indoor & Outdoor)
