## Rubber Air Hoses

### 30% Lighter

Than Rubber Air Hoses in Same Class

### 100% Rubber

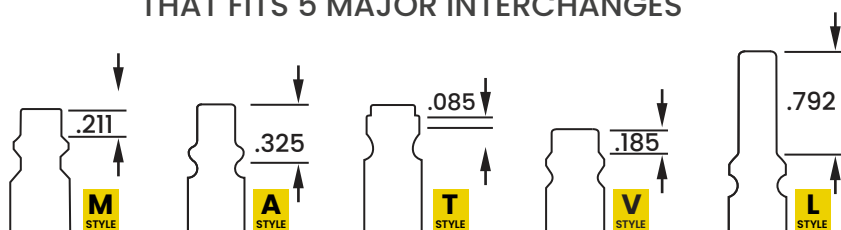

RMA Class-A oil resistant

#### Features

- Resists welding spatters and grinding sparks
- Solid brass fittings that are superior to aircraft aluminum fittings
- High strength polyester braided reinforcement
- Maintains integrity under extreme weather conditions
- Ozone resistant | Abrasion resistant | Kink resistant
- 4-Finger grip bend restrictor protects the ends of the fittings and offers better use & control over the hose

## One Coupler

THAT FITS 5 MAJOR INTERCHANGES

The OilShield Rubber Air Hose with BluBird 5-in-1 Safety Coupler is a rugged, high-performance air line solution engineered for durability, safety, and convenience. This 100% rubber air hose handles up to 300 PSI working pressure, resists oil, ozone, and abrasions, and maintains flexibility in extreme cold or heat. The ergonomic bend restrictor provides a comfortable grip, while the BluBird 5-in-1 Universal Coupler connects to five major plug types with built-in safety to prevent air whip. Perfect for garages, workshops, job sites, and auto shops, this combo ensures your air tools are always ready, secure, and easy to manage.
