

**Limited Lifetime Warranty**

**Best Replacement Hybrid Pressure Washing Hose**

**FLEXIBILITY  
IN ALL  
WEATHER**

**20%  
LIGHTER**

**3500PSI  
WORKING PRESSURE**

**Features :**

- Unmatched flexibility with rugged durability
- Zero-kink performance for uninterrupted power flow
- Built to perform in the toughest conditions
- Engineered for long-lasting, heavy-duty use
- Effortless handling with superior control
- Reinforced to take on the hardest cleaning jobs
- Designed to resist wear and outlast the job
- Delivers secure, leak-free performance every time

**APPLICATIONS :**

- Auto-Detailing**
- DIY**
- Patio**
- Commercial**
- Garage Bays**

**4-Finger  
bend restrictors**

**Solid Brass M22 Fittings  
with dual-seal insert**

**Available** 1/4" (M22),  
**Hose I.D. (in.) :** 3/8", 1/2" (MNPT)

**Available**  
**Hose Length (ft.) :** 25, 35, 50, 100, 200

## Best Replacement Hybrid Pressure Washing Hose

Slayer is a high-performance pressure washer hose designed for demanding use. Its advanced hybrid polymer construction delivers superior flexibility while resisting kinks, cracks, and wear even in extreme conditions. Reinforced with braided polyester, it handles 3500 PSI working pressure with consistent reliability. The smooth outer layer and durable bend restrictors ensure easy handling, reduced stress, and extended hose life.

### Slayer Pressure Washer Hose Specifications

- Hose Type: Slayer Hybrid Polymer Pressure Washer Hose
- Reinforcement: High-Tensile Braided Polyester Yarn
- Inner Diameter: 1/4"
- Working Pressure: 3500 PSI
- Burst Pressure: 10,500 PSI (3:1 Safety Factor)
- Temperature Range: 25°F to 140°F (-4°C to 60°C)
- Length: 25 ft (Available in multiple lengths)
- Fitting Type: M22 Connectors
- Construction: Hybrid PVC Inner Tube with Durable Outer Cover, Smooth Round Profile

LAYS FLAT  
ZERO MEMORY

NON-MARKING  
NO SCRATCHES

ZERO KINK  
ZERO TWIST  
MAX FLOW

### USP

Engineered with an ultra-tough outer layer that aggressively resists abrasion, eliminates kinks completely, and holds its shape under pressure delivering consistent performance, maximum durability, and total control in every use.

Completely immune to kinks delivering unstoppable, full-force water flow at all times with zero twists, zero restrictions, zero kink and zero drop in performance under any condition.
