It is accompanied by the world's finest Pressure Washer Hose, which features aramid braiding for added strength. This innovative hose reel employs a multi-position 12-point ratchet spring system that securely locks the hose at various desired lengths, both shorter and longer. The inclusion of brass swivel joints in the hose inlet connection provides excellent leak protection, while the reel stopper and four non-snap rollers effectively minimize hose abrasion. Offering versatile installation options, this hose reel can be conveniently mounted on the floor, wall, ceiling, and more.
