# Tough-Tek Pressure Washer Lead In Hose

The Tough-Tek Blue Pressure Washing Hose is designed to deliver superior performance for heavy-duty cleaning tasks. With 100% premium rubber construction and Kevlar braided reinforcement, it provides exceptional strength, flexibility, and durability. This non-marking hose is engineered for high-pressure applications, supporting up to 4000 PSI working pressure and 12,000 PSI burst pressure. It withstands extreme temperatures, remaining flexible in freezing conditions down to -20°F and handling hot water up to 250°F. Lightweight and kink-resistant, it's perfect for tackling tough jobs while protecting delicate surfaces.

## 35% Lighter & More Flexible than standard pressure washer hoses

- Superior durability with 100% rubber construction
- Kevlar braided reinforcement for maximum strength
- High pressure performance
- Extreme temperature versatility
- Abrasion-resistant non-marking surface
- Kink-resistant for uninterrupted Water flow
- Lightweight design for easy handling

Flexibility in extreme conditions from -20°F

**4000** PSI working pressure

Handles hot water up to 250°F
