Kevlar Braided Pressure Washer Hoses

35% LIGHTER

Than Traditional Wire Braided
Pressure Washer Hoses

100% Rubber

- Kevlar braided reinforcement
- Kink resistant core design
- 1/2 MNPT fixed + swivel
- 4000 PSI working pressure
- 12000 PSI burst pressure
- Durable washer hose for heavy-duty tasks
- 3:1 Safety factor
- 4-Finger grip bend restrictor for better use & easier control over the hose

Available
Hose I.D. (in.) : 1/2

Available
Hose Length (ft.) : 15

Non-Marking Design

4X ABRASION RESISTANT

Kevlar Braided Pressure Washer Hoses

The Tough-Tek Rubber Pressure Washing Hose is a heavy-duty, high-performance hose designed for demanding pressure washing applications. Made from 100% premium rubber and reinforced with polyester braiding, this hose delivers unmatched durability, flexibility, and long-lasting reliability. It boasts a working pressure of up to 4000 PSI and a burst pressure of 12,000 PSI, making it ideal for a wide range of residential, commercial, and industrial cleaning tasks.

Its provides excellent reach, making it perfect for large-scale cleaning projects without compromising on maneuverability. The abrasion-resistant, non-marking exterior ensures protection for delicate surfaces while enduring rugged use. This hose is ready to pair with most pressure washers. Additionally, it can handle hot water up to 250°F and stays flexible in cold conditions as low as -20°F, ensuring reliable performance year-round.

- **Premium 100% Rubber Construction:** Delivers exceptional strength, flexibility, and durability for long-lasting performance.
- **Kevlar Braided Reinforcement:** Enhances tensile strength for demanding high-pressure applications.
- **Abrasion-Resistant, Non-Marking Exterior:** Provides superior durability while protecting surfaces from damage during use.
- **Extreme Temperature Flexibility:** Operates efficiently in temperatures as low as -20°F and handles hot water up to 250°F.
- **4000 PSI Working Pressure & 12,000 PSI Burst Pressure:** Ensures consistent performance for a wide range of cleaning jobs.
- **Hose Length for Maximum Reach:** Perfect for large-scale cleaning tasks, offering extended coverage without sacrificing maneuverability.
- **Kink-Resistant Design:** Prevents interruptions by maintaining smooth water flow for optimal cleaning efficiency.
- **Lightweight & Easy to Handle:** Designed to reduce user fatigue, providing easy handling and storage for long cleaning sessions.

Kevlar braided reinforcement

Longevity & Reliability

Handles hot water up to 250°F

Cold weather flexibility down to -20°F
