4X ABRASION RESISTANT

Polyester Braided Pressure Washer Hoses

35% Lighter & More Flexible than any other pressure washer hoses

- **Durable Rubber Construction:** Built to resist abrasion, kinks, and extreme weather conditions for long-term use.
- **High-Pressure Compatible:** Handles pressures up to 3000 PSI, making it ideal for tough cleaning jobs.
- **M22 Connectors:** Provide a secure, leak-proof connection to standard pressure washers.
- **Compact 50-Foot Length:** Offers flexibility and maneuverability for smaller cleaning projects.
- **Versatile Use:** Perfect for cleaning patios, decks, driveways, vehicles, and more.
- **Lightweight and Flexible:** Easy to handle while delivering maximum durability and reliability.

The TOUGH-TEK Rubber Pressure Washing Hose combines strength, efficiency, and convenience to elevate your cleaning experience. Built with high-grade rubber, this hose is designed to endure the toughest conditions while maintaining flexibility for easy handling. With a 1/4-inch diameter and 50-foot length, it provides excellent water flow and optimal reach for a variety of cleaning tasks. The M22 connectors ensure secure and leak-free connections with most pressure washers, giving you peace of mind during use. Whether you're tackling grime on outdoor surfaces, washing vehicles, or maintaining industrial machinery, this hose is your go-to solution for superior cleaning performance.

 Polyester braided reinforcement

 Extreme flexibility & abrasion resistant

 Handles hot water up to 250°F

 Cold weather flexibility down to -20°F
