Kevlar Braided Pressure Washer Hoses

35% LIGHTER

THAN TRADITIONAL WIRE BRAIDED
PRESSURE WASHER HOSES

100% Rubber

- Extreme weather flexibility
- Lightweight easy to coil
- 4x Abrasion resistant
- Kink resistant core design
- 3/8" Male NPT Revolving + Fixed
- 4100 PSI working pressure
- 16400 PSI burst pressure
- Ozone resistant
- 4:1 Safety factor

4x Abrasion resistant
than standard pressure
washer hoses

More flexible &
durable vs
wire braids

Cold weather
flexibility
down to -20°F

Handles hot
water
up to 250°F

Bend
restrictor

Available
Hose I.D. (in.) : 3/8

Available
Hose Length (ft.) : 15

Available on
Retractable : 50, 100

Non-Marking Design

Kevlar Braided Pressure Washer Hoses

35% Lighter & More Flexible
than any other pressure washer hoses

• **4100 PSI Working Pressure | 16,400 PSI Burst Pressure**

- Premium 100% rubber construction
- Kevlar braided reinforcement
- Non-marking and abrasion-resistant surface
- Handles extreme temperatures
- Kink-resistant design
- M22 connectors for leak-free connection
- Lightweight and easy to maneuver
- Ideal for commercial, industrial, and residential use
- 4-finger grip bend restrictor for better use & easier control over the hose

The Tough-Tek Rubber Pressure Washing Hose is engineered to provide exceptional performance and durability for a wide range of high-pressure cleaning applications. Constructed with 100% premium rubber and reinforced with polyester braiding, this hose offers superior strength, flexibility, and long-lasting reliability. With a working pressure of up to 4100 PSI and a burst pressure of 16,400 PSI, it is ideal for industrial, commercial, and residential cleaning tasks. Its non-marking, abrasion-resistant surface ensures it performs effectively even on rough surfaces, while protecting delicate materials from damage. The 100-foot length offers extensive reach for large-scale projects, allowing you to clean vast areas without needing additional hose extensions. Designed to handle both hot water up to 250°F and cold temperatures down to -20°F, this hose is perfect for all-season use.

Kevlar braided reinforcement

More flexible & durable VS wire braids

Handles hot water up to 250°F

Cold weather flexibility down to -20°F
