TOUGH TEK PRESSURE WASHER HOSE REEL

The Blu Shield Tough Tek Stainless Steel Hose Reel 3/8" x 50' is a heavy-duty retractable hose reel built for high-pressure power washing applications. The dual-arm stainless steel construction resists corrosion, delivers long-term strength, and features a professional finish. The included rubber hose is flexible, lightweight, and rated up to 16000 PSI burst pressure. Complete with a 6' lead-in hose, this reel is ideal for commercial pressure washers, car detailing, marine washdown, hot water pressure washing, truck cleaning, and more.

REEL FEATURES :

- Stainless steel construction
- 12-point ratchet gearing system
- Dual-arm reel structure for stability
- Auto-retractable hose rewind mechanism
- Handles Hot Water up to 250° F
- Includes 6' rubber lead-in hose
- Auto-retractable hose rewind mechanism
- Kink-resistant hose core
- Abrasion-resistant rubber jacket
- Compatible with residential, commercial, and industrial setups
- Suitable for indoor and outdoor installation

Mounting Options

Four rollers reduce hose wear

12-point ratchet gearing system

Comes with a rubber stopper

2 Metal arms for extreme stability in dual-arm reel
