Engineered For Industrial Washdowns—
Your Partner For Tough Cleaning Tasks

**Rubber Water Wash
Down Hose**

The BluShield Rubber Washdown Hose is designed for industrial and heavy-duty cleaning applications. With a working pressure of 300 PSI and a durable rubber construction, this hose is ideal for high-pressure washdowns in various environments. Featuring a PVC 4-finger grip with a swivel sleeve for easy handling, it ensures flexibility and efficiency in operation. The hose is reinforced with polyester yarn braiding for added strength and durability, while its smooth, wrapped finish offers both resilience and a professional appearance. Resistant to weather, abrasion, and common wear-and-tear, the BluShield hose is your reliable partner for demanding washdown tasks.

**100% RUBBER
CONSTRUCTION**

- **300 PSI**: Capable of withstanding high pressures for effective washdown tasks.
- **Abrasion and Weather Resistant**: Designed for tough environments with extra durability.
- **Smooth 4-Finger Grip**: Provides ergonomic handling with a swivel for easy hose movement.
- **Swivel GHT Fittings**: Easy-to-use, stainless steel revolving fittings for leak-proof operation.
- **Flexible in Hot and Cold Conditions**: Maintains flexibility from -40°F to 70°F.

Water Hose Flow

Hose I.D.	GPM @65 PSI	GPM @35 PSI
3/4"	17.10	10.90

 Flexibility in extreme conditions from -40°F to +70°F

300 PSI working pressure

 Handles hot water up to 200°F
