## 18 GAUGE HEAVY-DUTY AIR HOSE REELS

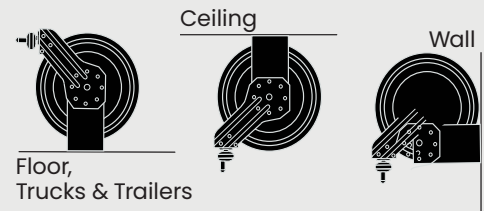

RMX is the only company in the world that manufactures both the hoses and the auto retractable reels that they go on. The Dino-Hide heavy-duty retractable reels are constructed using 18g steel which is then powdered coated; giving it superior resistance to rubbing, flaking and rust. These reels are equipped with a powerful, heavy-duty steel spring along with a class leading 12pt ratchet system that helps lock out the hose at shorter lengths and also enables a smooth auto rewind. The reels also feature a rubber gasket for extended life of the spring. BluBird reels are available in both single and dual-arm versions. These reels carry an unmatched 2-year warranty.

### Reel Features

- 18 gauge powder-coated steel construction
- 12 point ratchet system which helps lock out the hose at shorter lengths
- Specialised internal system reduces the spring vibration, enables quieter operations & extends the life of spring
